

Terms and conditions for granting free undergraduate Scholarships

Undergraduate Scholarships for expatriates holding a certificate equivalent to the Iraqi secondary school certificate:

First: Admission Channels:

- 1- Admission is in accordance with the programs and agreements in force with Arab and foreign countries (cultural exchange).
- 2- Admission according to the scholarships offered to the Association of Arab Universities.
- 3- Scholarships offered to non-Iraqi students (residents in Iraq for ten years and more) at Iraqi universities according to the courses offered
- 4- Scholarships offered to non-Iraqi students (non-residents in Iraq and arrivals from abroad for study purposes) at Iraqi universities according to the courses offered.

Second: Requirements for Admission:

- 1- Application starts on the 15th of March, 2023 and continues until the 31st of August, 2023
- 2- Applicants should hold the Iraqi secondary school certificate or its equivalent
- 3- Equivalent secondary school certificate endorsed by the institution that issued it, the Ministry of Foreign Affairs of the country in which it was issued, and the Iraqi embassy in that country. As for students holding the Iraqi secondary school certificate, they must provide the certificate endorsed by the General Directorate of Education in the governorate in which the student completed his studies.
- 4- Certificates of Non-Iraqi students shall undergo certificate equivalency at the Iraqi Ministry of Education/General Directorate of Exams and Assessment.
- 5- The original birth certificate or a certified copy.
- 6- Copy of passport.
- 7- Personal photos (2).
- 8- 5% of the college admission plan for each specialization is allocated for these scholarships.
- 9- Age of applicant for the undergraduate study should not exceed 30 years.

- 10- Providing a health certificate confirming that the applicant is free from diseases, in addition to passing the medical examination in accordance with the requirements for each study domain.
- 11- The minimum admission averages to undergraduate studies are as follows:
 - a. the medical group (general medicine 85%, dentistry and pharmacology 75%)
 - b. the engineering group and nursery 65%
 - c. other scientific and human specializations 60%
- 12- The Directorate of Scholarships and Cultural Relations shall facilitate the procedures for granting visa and residence (in cooperation with the Ministry of Interiors and the Ministry of Foreign Affairs) for students covered by the scholarships.
- 13- Universities shall pay the tuition fees and provide accommodation in the event that dormitories are available at the university (full scholarship), or half a scholarship if dormitories are not available.
- 14- **Self-sponsored admission** : Students applying for admission through the self-sponsored channel for the undergraduate morning studies shall pay the same tuition fees as students admitted to the morning self-sponsored public education channel mentioned .
